The screenshot shows a web browser window with the iCoder website. A modal titled "Get an iCoder Account" is open in the center. The modal contains three input fields: "Email address", "Password", and "Confirm Password". Below the "Email address" field is a small text line: "We'll never share your email with anyone else." At the bottom of the modal is a blue "Creat Account" button and a "Close" button. The background of the website is dark with a large image of a laptop. Below the modal, there are two featured cards: "Global Conferences" under the "World" category and "Learn Designing" under the "Design" category. Both cards have a date (Nov 12 and Nov 11 respectively) and a short description.
